THE HUDDLE VERSION

Five days. Sell new, hold used gross, **set appointments** (they count **Sat 9/26 – Tue 9/29**). Every deal and appointment earns **Showdown Points**, moves the **store goal** bar, and puts **you** in the running for cash: five ways to get paid, including a **Daily Hot Shot** every day.

FIVE WAYS TO GET PAID (PAYOUT TABLE)

PRIZE	HOW TO WIN IT	PAYS	TOTAL
 Showdown Champion	Most Showdown Points for the whole contest (2 pts per new unit + 1 pt per \$1,000 used gross + 0.5 pt per appointment)	1st \$900 , 2nd \$275	\$1,175
 New Unit King	Most new units	\$575 to the top rep	\$575
 Used Gross Boss	Most used-car front gross	\$575 to the top rep	\$575
 Appointment Ace	Most appointments set Sat 9/26 – Tue 9/29	\$425 to the top rep	\$425
 Daily Hot Shot	Most Showdown Points that day	\$50 × 5 days (Sat 9/26 – Wed 9/30)	\$250
Total	1,175 + 575 + 575 + 425 + 250	Chrysler Muskegon	\$3,000

- **Appointments** only count when dated **Sat 9/26 through Tue 9/29**. An appointment = a customer appointment the rep **set** that day and logged in the CRM, counted by the manager. **[A]** Appointments entered for Wed 9/30 don't count.
- **Store goal**: the board also tracks Chrysler Muskegon against its targets ($\frac{1}{3}$ new units + $\frac{1}{3}$ used gross + $\frac{1}{3}$ appointments). It's for bragging rights and pace; there's no separate cash for it.
- **Stacking is allowed**: one rep can win Champion, category and Hot Shot money.

DEAL-COUNTING RULES

- A deal counts on its **delivery date**: sold, delivered and posted in the DMS. **Retail only**; fleet, wholesale and dealer trades don't count. **[A]**
- **New units**: 1 per new vehicle. **Split deal = 0.5 each** (max 2 reps per deal).
- **Used gross** = front-end gross as posted in the DMS, after pack, **excluding F&I/back-end**. **[A]** Deals that lose money count as negative gross. A split used deal = 0.5 unit, and each rep gets **half the gross**.
- **Unwinds are removed** from the board and all standings recalculate. Unwinds after payout follow normal chargeback policy. **[A]**
- The sales manager enters each day's deals and appointments **the same night or by 10 AM the next day**.
- **Final lock**: Mon **Oct 5, 5 PM** after the GM checks the board against the DMS/CRM. **[A]** Paid on the next payroll as taxable wages. You must be employed on the payout date. **[A]**
- A rep who leaves keeps counting for the store goal but can't win individual prizes.

TIE-BREAKS (PLAIN & FINAL)

- **Showdown Champion**: more new units wins, then more used gross. **New Unit King**: more used gross wins. **Used Gross Boss**: more new units wins. **Appointment Ace**: more new units, then more used gross.
- **Daily Hot Shot**: more new units that day, then more used gross that day. If still tied, the tied people **split** the prize money.
- **Nothing goes unpaid**: a prize nobody qualifies for (e.g., the Hot Shot for **closed Sunday 9/27**) rolls into the Showdown Champion 1st-place prize. If only one rep earns points, they get 2nd-place money too.

BADGES (BRAGGING RIGHTS)

 **Hat Trick**: 3+ new units in a day ·  **Heavy Hitter**: a \$4,000+ used deal ·  **On Fire**: a deal 3 selling days in a row ·  **Double Down**: new + used on the same day ·  **Opening Day**: a deal on Sep 26

ASSUMPTIONS TO CONFIRM BEFORE KICKOFF **[A]**
